Refer a Friend, Receive a Glow Pass

When a friend you refer completes their first visit, we email you a **Euphoria Glow Pass: 50% off your next service**. Refer as many friends as you like; one Glow Pass per visit. Refer at **euphoriaspaandco.com/refer**

For new guests only, at the first appointment. Any combination of listed services may be booked at the first visit. Consultations are always complimentary. One welcome offer per guest; not combinable with a Glow Pass, other offers or packages. Glow Passes are issued after the referred friend's first completed visit, are valid for six months and have no cash value. A completed intake form is required before your service. Dermaplaning and waxing may not be suitable with certain medications, retinoid use, or recent treatments, and tinting and lash clusters require a patch test 24 to 48 hours before your service; we'll review your intake together. Hair services are performed by our licensed partner hairstylist. The Health & Wellness Plan is general wellness guidance, not medical or dietetic care. Please give 24 hours' notice to reschedule. Prices subject to change.
